

Tipuuna Guide

How was the registration Tipuna Guide made?

The Tipuna Guide provides a list of known surviving lines from our West Coast (Buller, Tasman)-based Pūaha te Rangi Hapū and Tarakaipa Hapū from Te Taihū (northern South Island – Marlborough, Nelson, Tasman). These tipuna (ancestors) exercised their customary rights predominantly in relation to Ngāti Apa ki te Rā Tō in the Ngāti Apa ki te Rā Tō Area of Interest any time after February 6, 1840.

Ngāti Apa ki te Rā Tō participated in the Waitangi Tribunal hearing for all iwi claims with interests in the Northern South Island/Te Taihū. The claims were heard between August 2000 and March 2004. The Tribunal released preliminary reports in 2007 and a final report in November 2008. We were engaged in the Treaty Negotiation process between 2005 and 2010, when we signed a Deed of Settlement which was legislated in 2014. The Ngāti Apa ki te Rā Tō Tipuna Guide is made up of the tipuna identified in our claims and settlement.

Ngāti Apa ki te Rā Tō Claims and Settlement

1. The Ngāti Apa ki te Rā Tō tipuna claims from the New Zealand Company Purchases, Spain Commission, and the Nelson Tenth Court Hearings
2. Ngāti Apa ki te Rā Tō claims to Te Taitapu – 1852 and 1883
3. Ngāti Apa ki te Rā Tō claims in the Native Land Court 1883 to 1892
4. Te Waipounamu Purchases Claims from the 1850s
5. 1860 Arahura Purchase Deed
6. SILNA (South Island Landless Natives Act) Scheme tipuna who were promised land but did not receive land.

Whakapapa

We have provided whakapapa to illustrate the relationships to significant tipuna of Ngāti Apa ki te Rā Tō. The whakapapa provided is to show relationships between tipuna and not necessarily tuakana and teina relationships. It is recognised that many of the tipuna identified are also associated to other iwi. The sources of these whakapapa have been referenced.

What if my tipuna is not on the list?

We acknowledge the guide may not include all the Ngāti Apa ki te Rā Tō tipuna, or their siblings or descendants. This is a guide to help iwi members connect to known tipuna with surviving lines. You are welcome to submit an application if your tipuna is not on the list and you have information that meets the criteria for Ngāti Apa ki te Rā Tō membership.
